About Us

We architect, develop, and deploy enterprise-grade software solutions that power the world's most demanding businesses and drive digital transformation.

Our Vision

At Coderoad Softwares, our vision is to build reliable and meaningful software that not only empowers businesses today but also drives long-term growth and innovation for tomorrow. We strive to redefine what is possible by delivering scalable, future-ready technology solutions that strengthen industries and communities alike.

Our Mission

Our mission is to deliver affordable, secure, and custom technology solutions that solve real challenges. From development and cloud integration to data solutions and digital transformation, we aim to create products that adapt, scale, and empower our clients. By fostering strong partnerships and ensuring quality at every step, we help businesses thrive in a rapidly evolving digital landscape.

- Creative visuals that stand out

mediflux.in

Our Flagship Product

We developed **Mediflux** which is more than a software it's smart, AI-driven platform that empowers pharmacies to run efficiently, reduce waste, and grow revenue with data-backed insights.

Core Capabilities:

- AI-driven inventory & expiry management.
- Smart GST-compliant billing with WhatsApp sharing.
- Cloud access for anytime, anywhere operations.
- Real-time analytics for sales and stock optimization.

Platform Highlights

Mediflux brings together everything a pharmacy needs under one roof — from smart billing and inventory/stock control to deep insights and automation. Enjoy features like GST-ready invoices, WhatsApp bill sharing, expiry alerts to reduce waste, quick order & batch tracking, role-based access, and cloud backup.

Whether you're monitoring sales live, ensuring regulatory compliance, or keeping your team connected, Mediflux handles it all with no hidden charges.

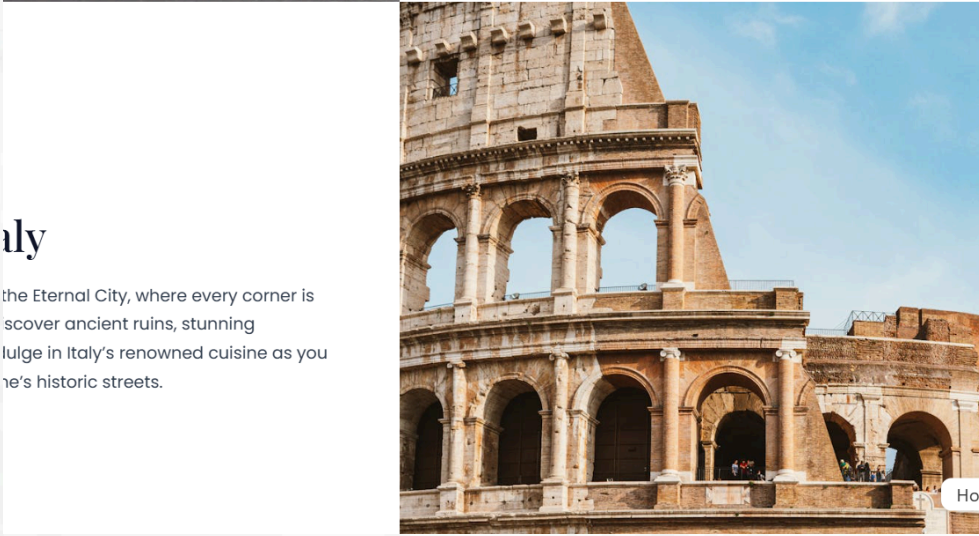

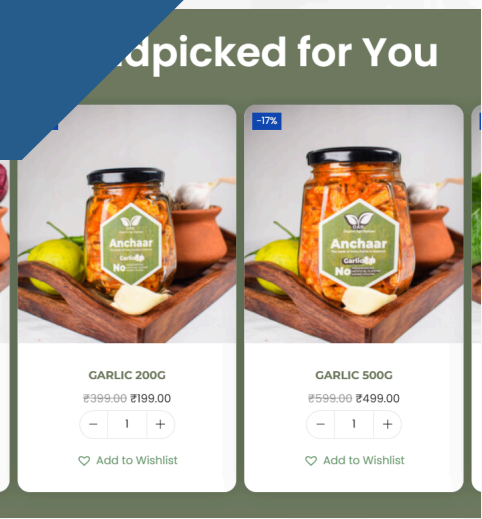

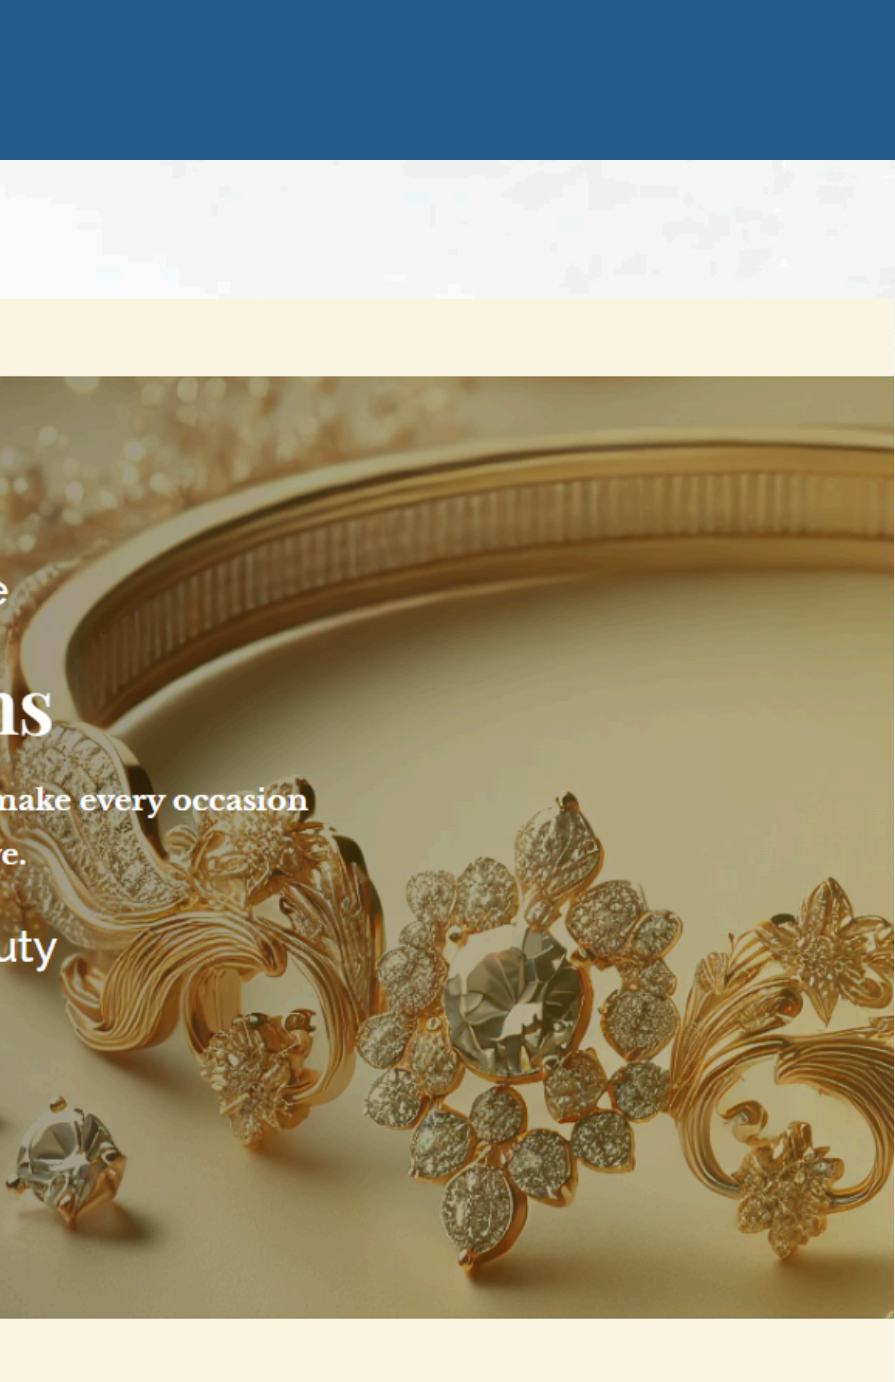

Visit our website (mediflux.in) to explore more and see how Mediflux can power your pharmacy's operations.

Our Best Works

At **Coderoad Softwares**, our best work reflects the perfect blend of creativity, technology, and problem-solving. From building **Mediflux**, an innovative pharmacy management system transforming healthcare retail, to crafting user-friendly eCommerce websites and impactful digital solutions.

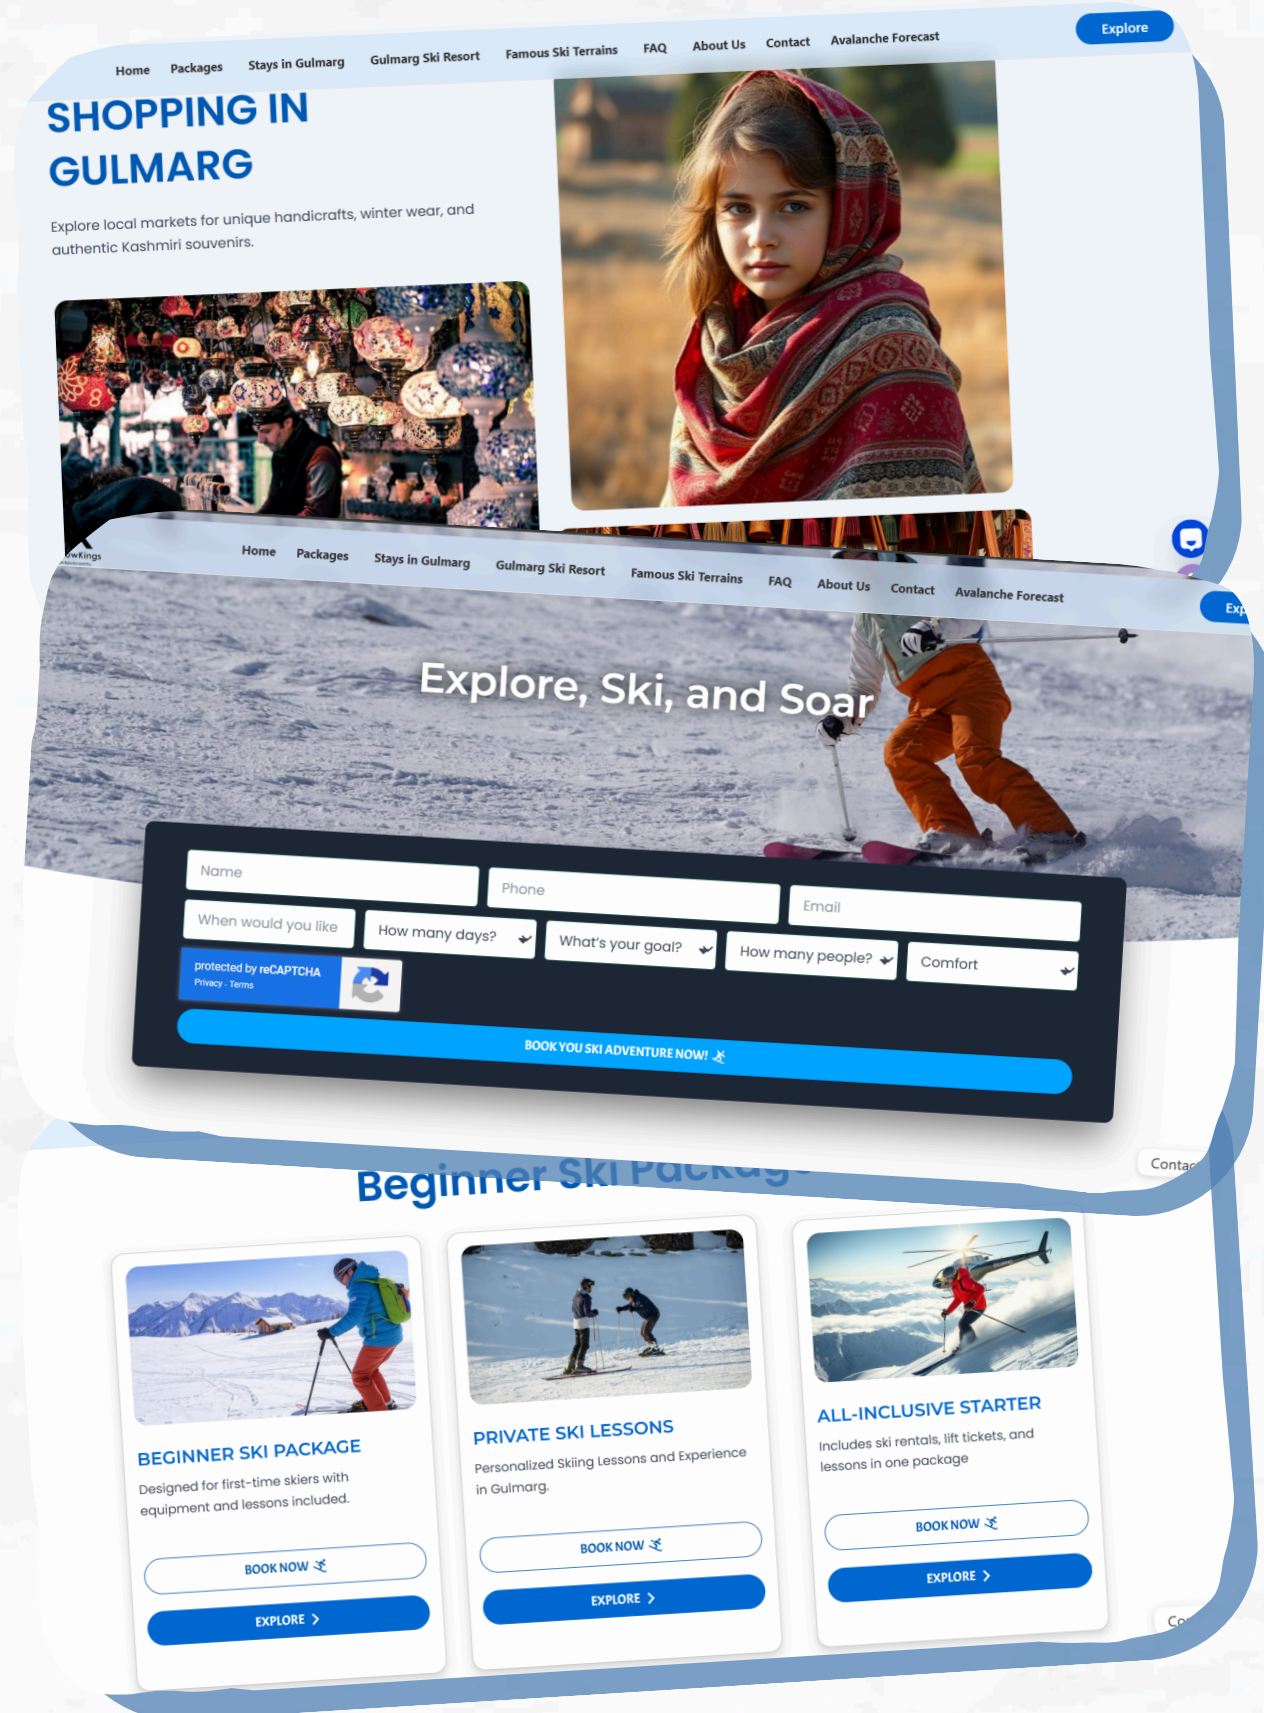

GulmargSnowkings.com

Gulmarg SnowKings Premium Ski & Adventure Experience

We built a modern, adventure-focused website for **Gulmarg SnowKings** to showcase their skiing and travel packages. The platform highlights their services while making it easy for customers to explore and book.

What we delivered:

- Attractive, adventure-themed design
- Tour & package showcase with details
- Inquiry forms for quick bookings
- Mobile-friendly, responsive interface

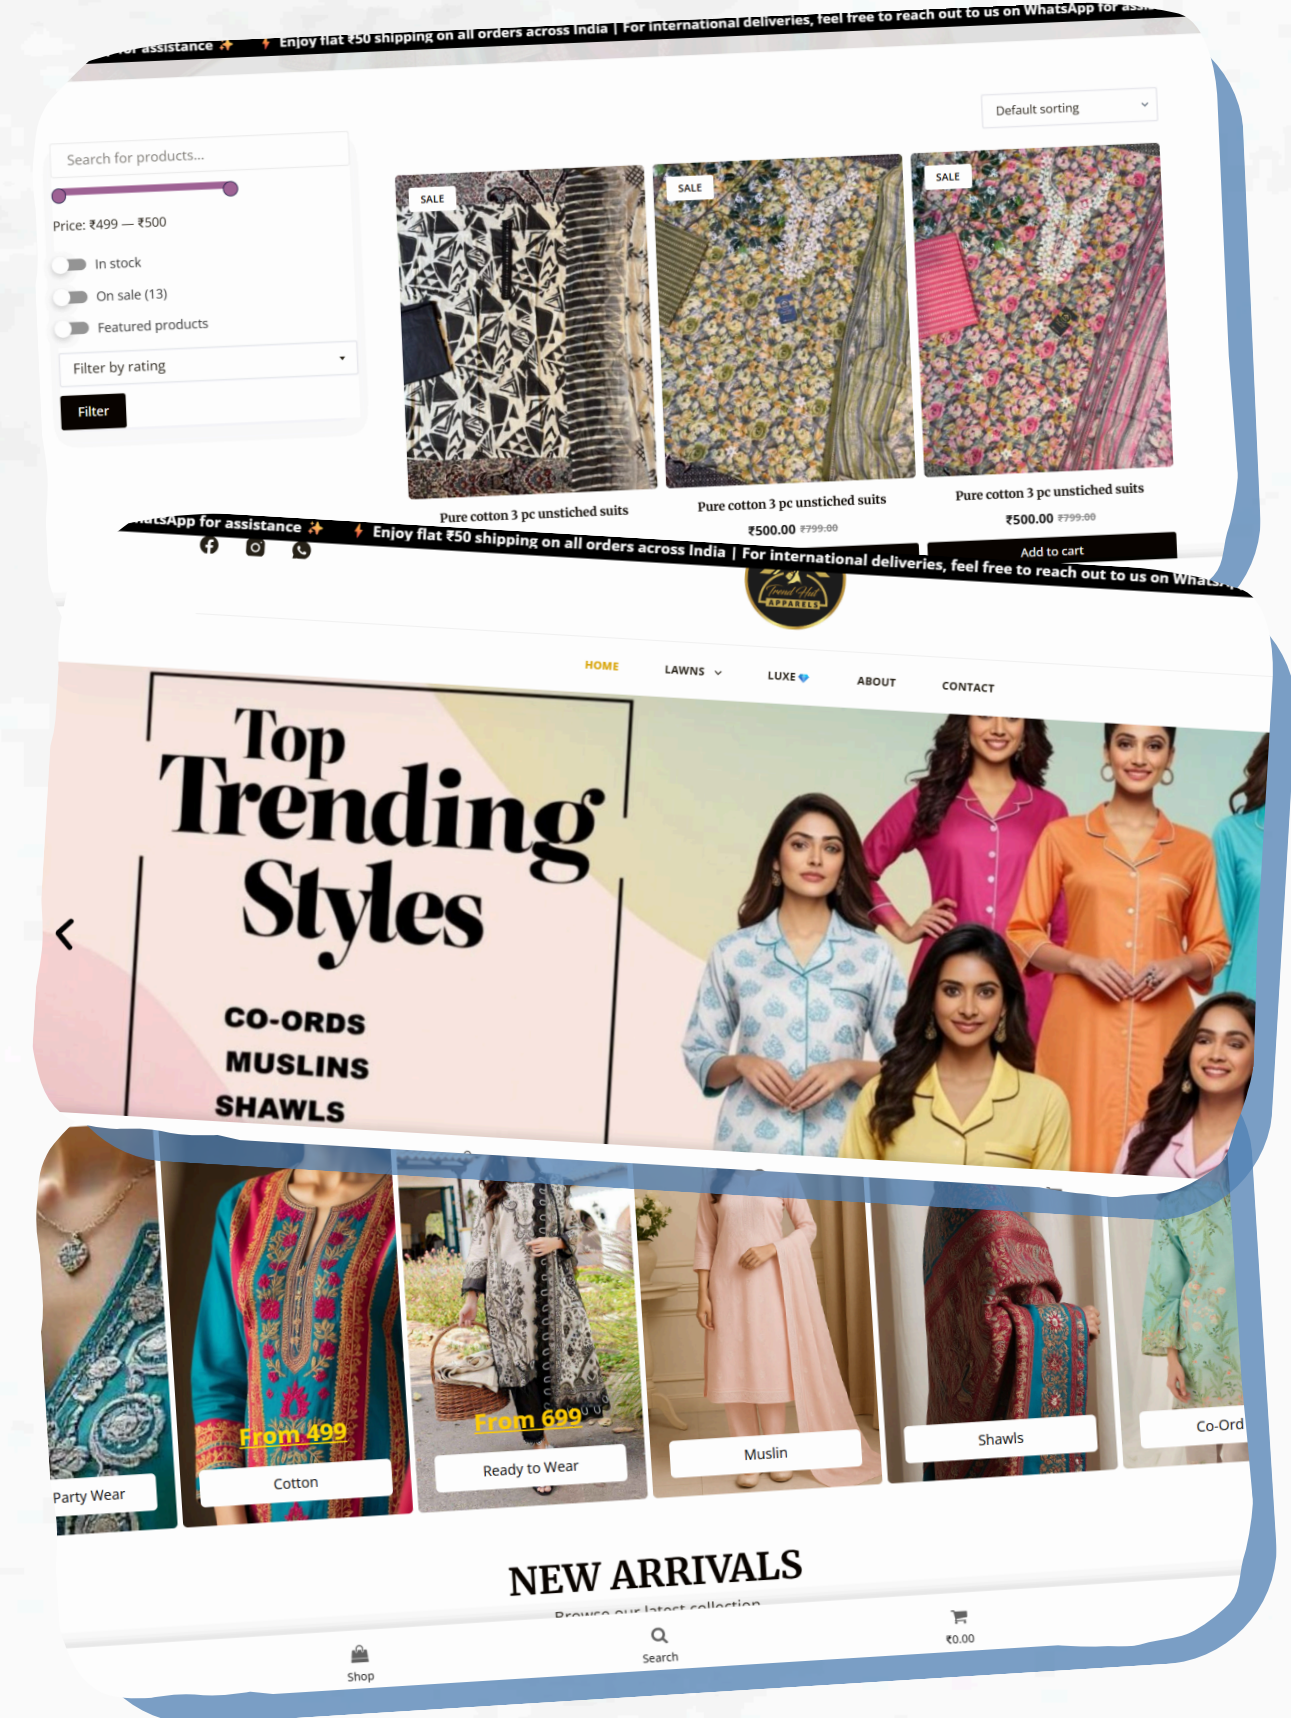

trendhutapparels.com

TrendHut Apparels Fashion with Flair

We designed a modern, fashion-focused website for **TrendHut Apparels** to showcase their latest clothing collections and apparel offerings. The platform highlights their products while making it easy for customers to browse and shop.

What we delivered:

- Stylish, brand-aligned design
- Product catalog with detailed descriptions
- Easy-to-use order and inquiry forms
- Mobile-friendly, responsive interface for seamless shopping

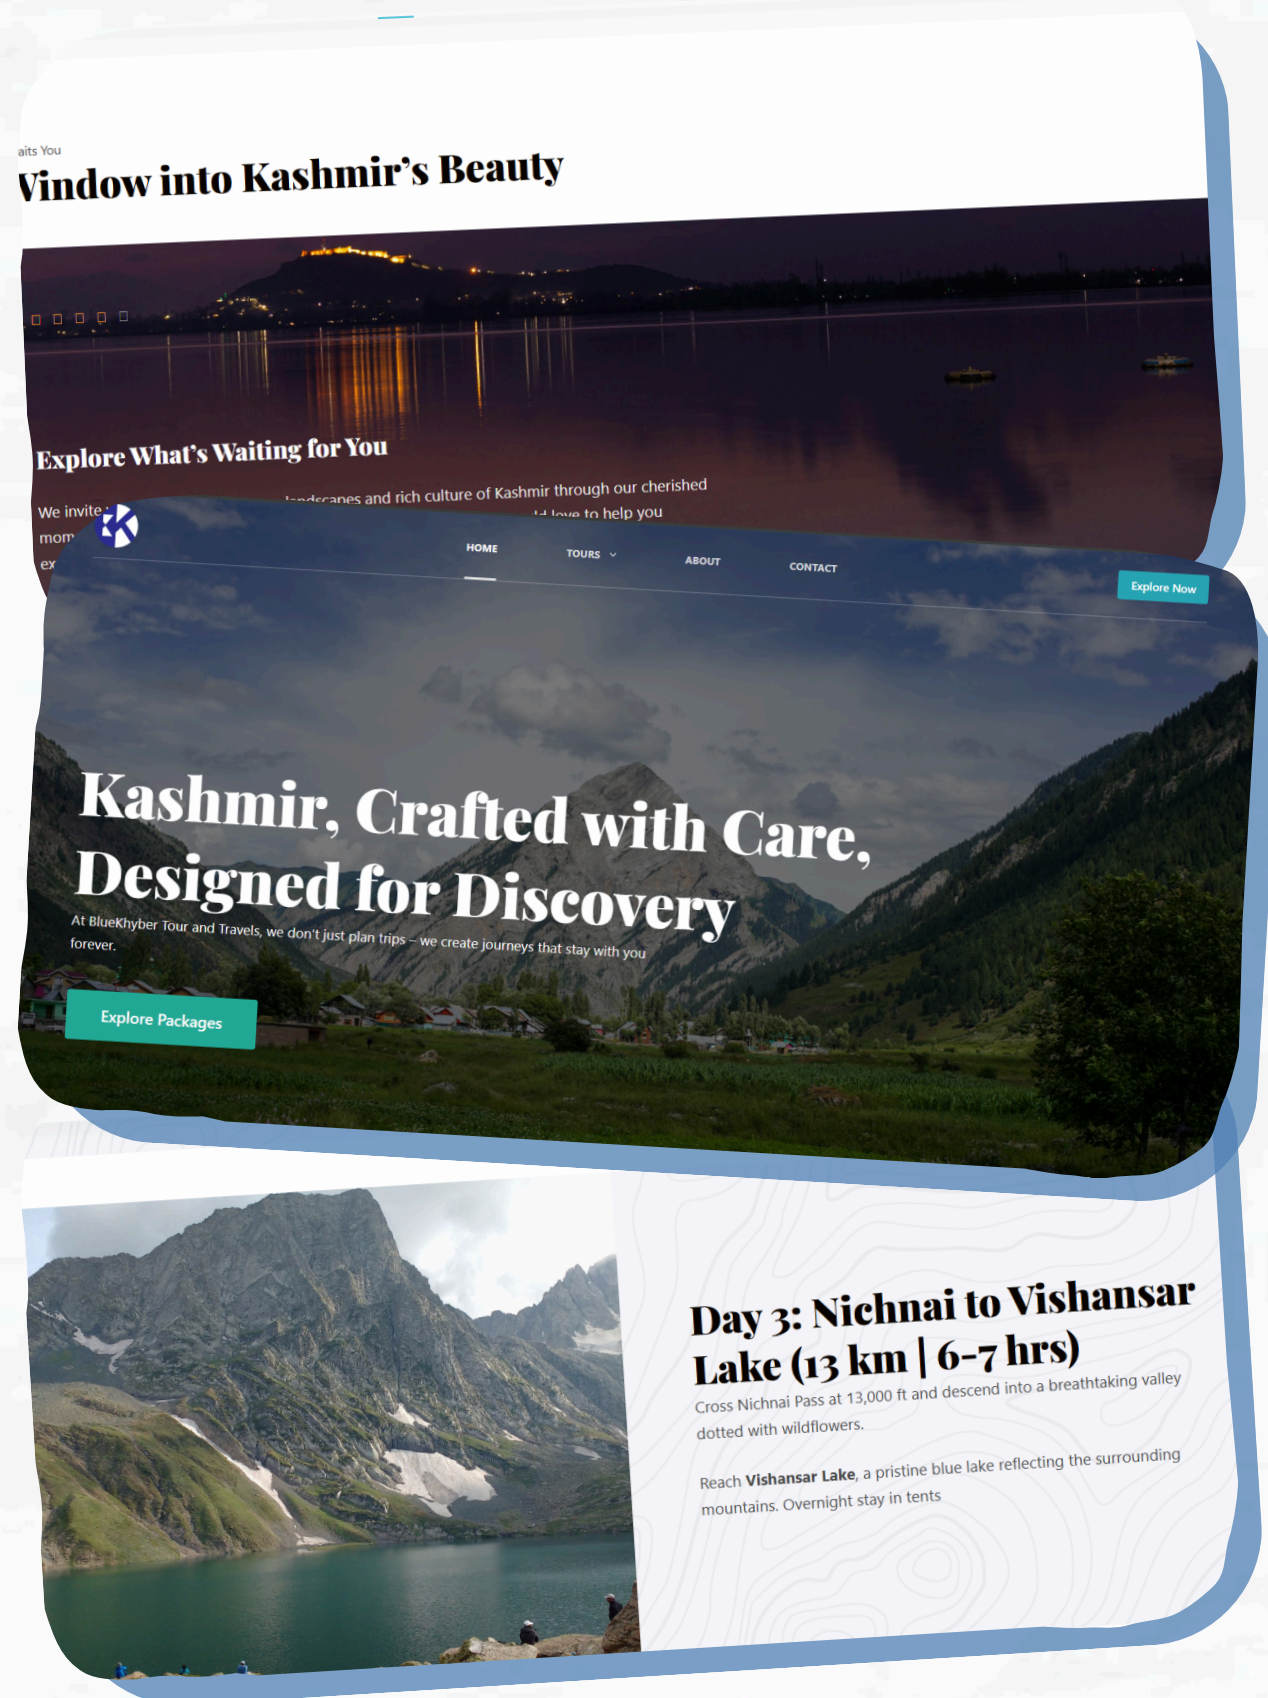

bktourandtravels.in

BK Tour & Travels Travel Experiences Website

We built a comprehensive, visually rich website for **BK Tour & Travels** to showcase their Kashmir & regional tour packages and make booking seamless and attractive.

What we delivered:

- Interactive tour catalog with multiple package options (Gurez, Gulmarg, Srinagar, etc.)
- Clear "Book Now" & "Explore Packages" call-to-actions for ease of use
- Highlighted local experiences & itineraries
- Mobile-friendly design with immersive visuals to capture Kashmir's beauty.

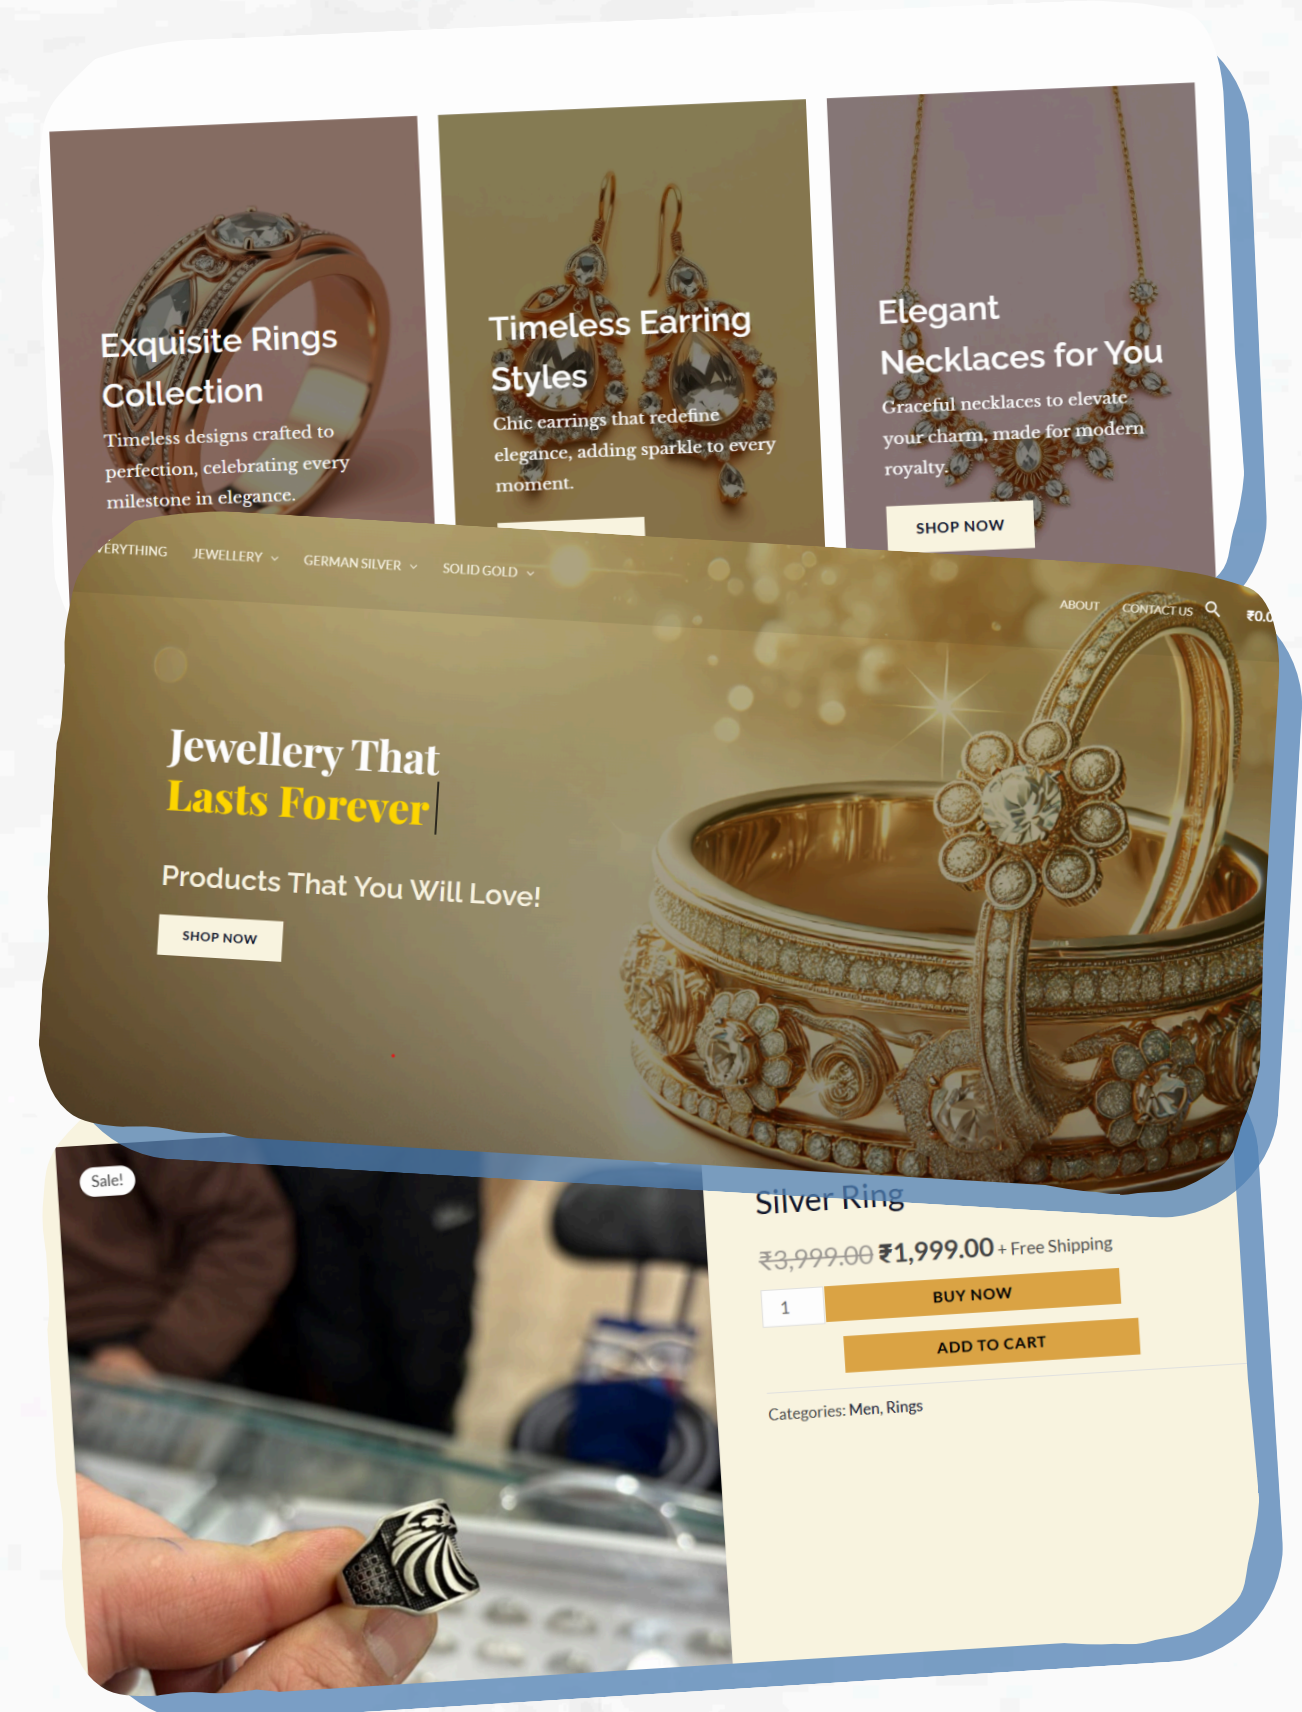

Akhoon Jewellers Jewellery eCommerce

We developed a refined online presence for **Akhoon Jewellers**, focusing on elegance and seamless product browsing to reflect their jewelry craftsmanship.

What we delivered:

- Elegant product collections showcase (rings, necklaces, bracelets, etc.) with clear categories
- Featured product section & quality visuals to engage customers at first glance
- Secure payment options & worldwide shipping integration
- Reviews, offers, and promotional details to build trust & value perception

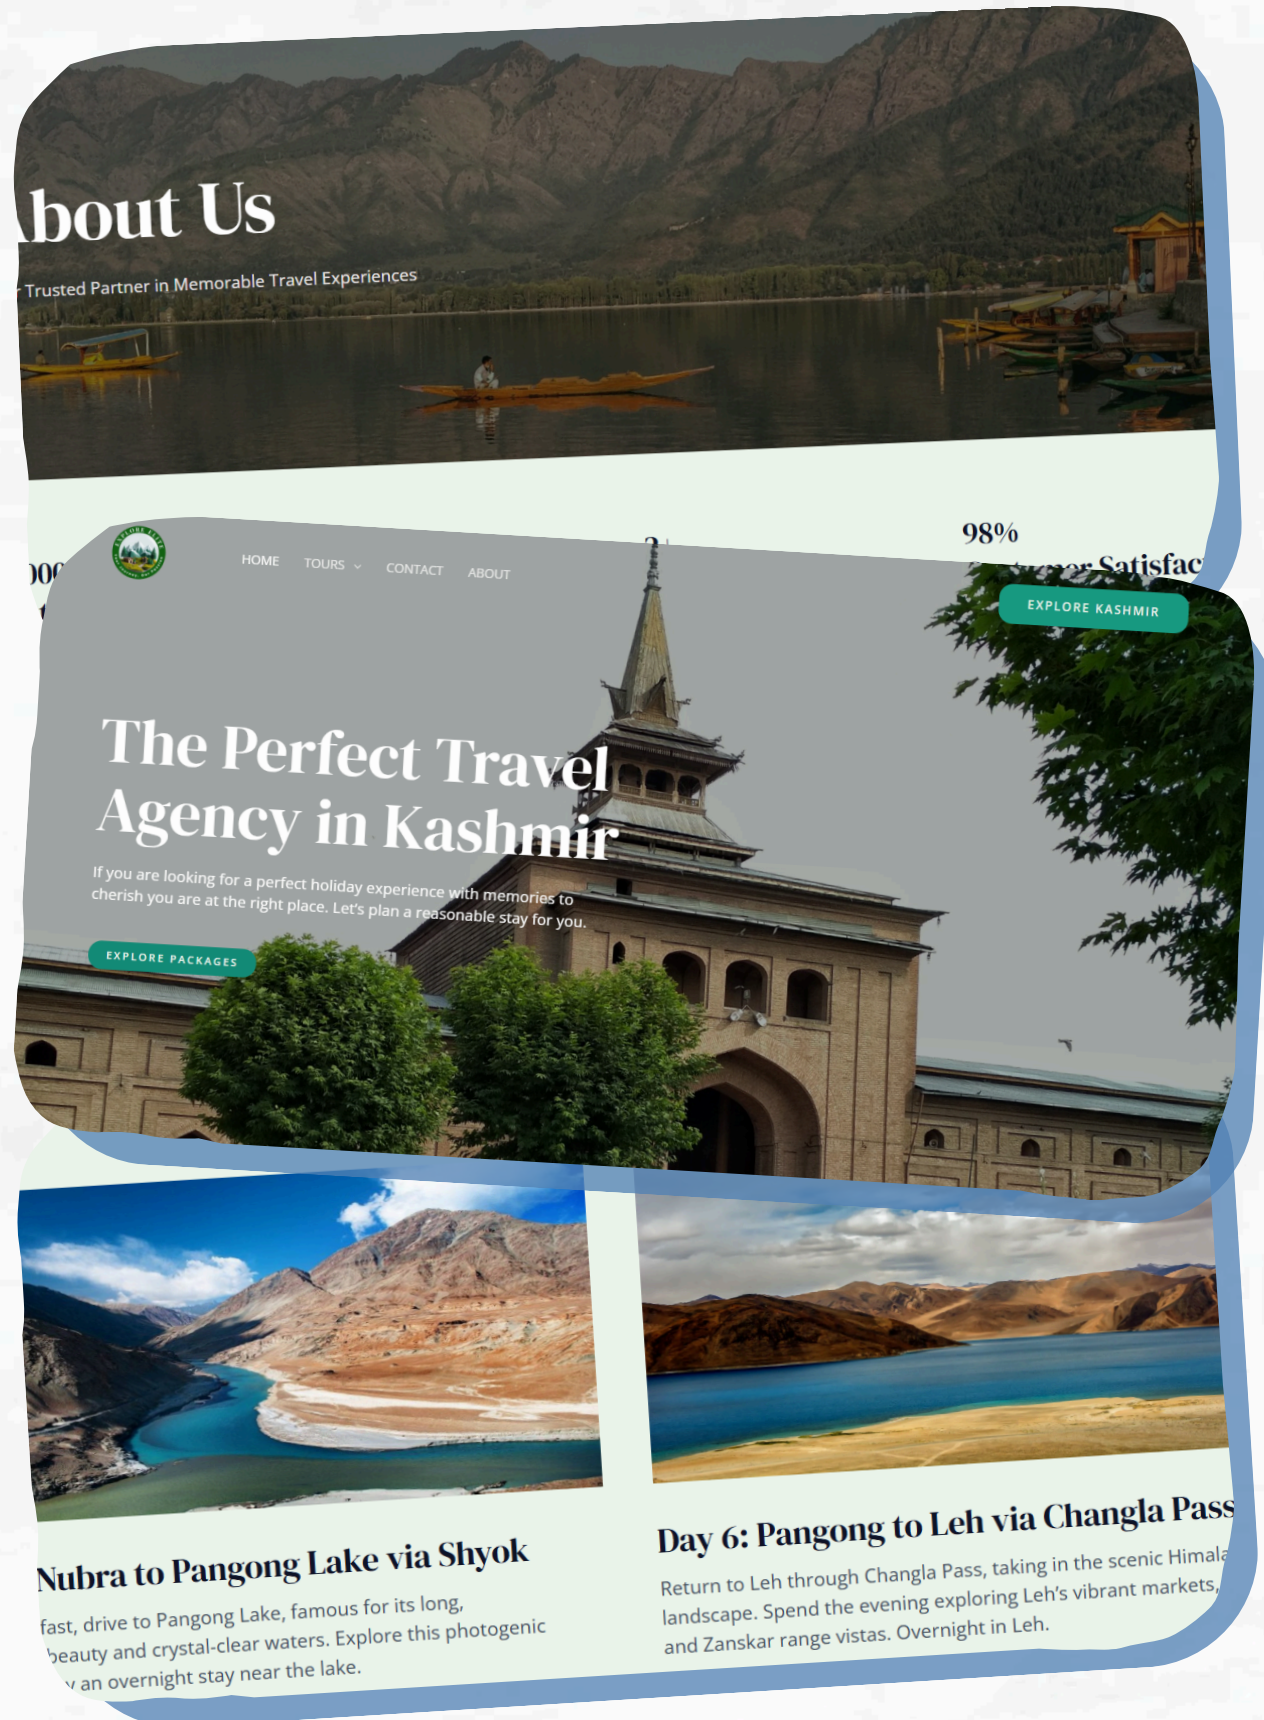

exploreelite.in

Explore Elite Tourism & Tours Platform

We designed and developed a user-friendly platform for **Explore Elite** to help travellers discover Kashmir & Ladakh packages easily, with rich content and affordable options.

What we delivered:

- Tour catalog with Umrah, domestic & international options.
- Customizable itineraries for individual preferences.
- Easy booking and enquiry system.
- Responsive design for all devices.

alhaleemtours.com

Al Haleem Tour & Travels

We created a user-friendly website for **Al Haleem Tour & Travels** to highlight their travel offerings, enable easy bookings, and provide flexible itineraries for different types of travelers.

What we delivered:

- Tour catalog with Umrah, domestic & international options.
- Customizable itineraries for individual preferences.
- Easy booking and enquiry system.
- Responsive design for all devices.

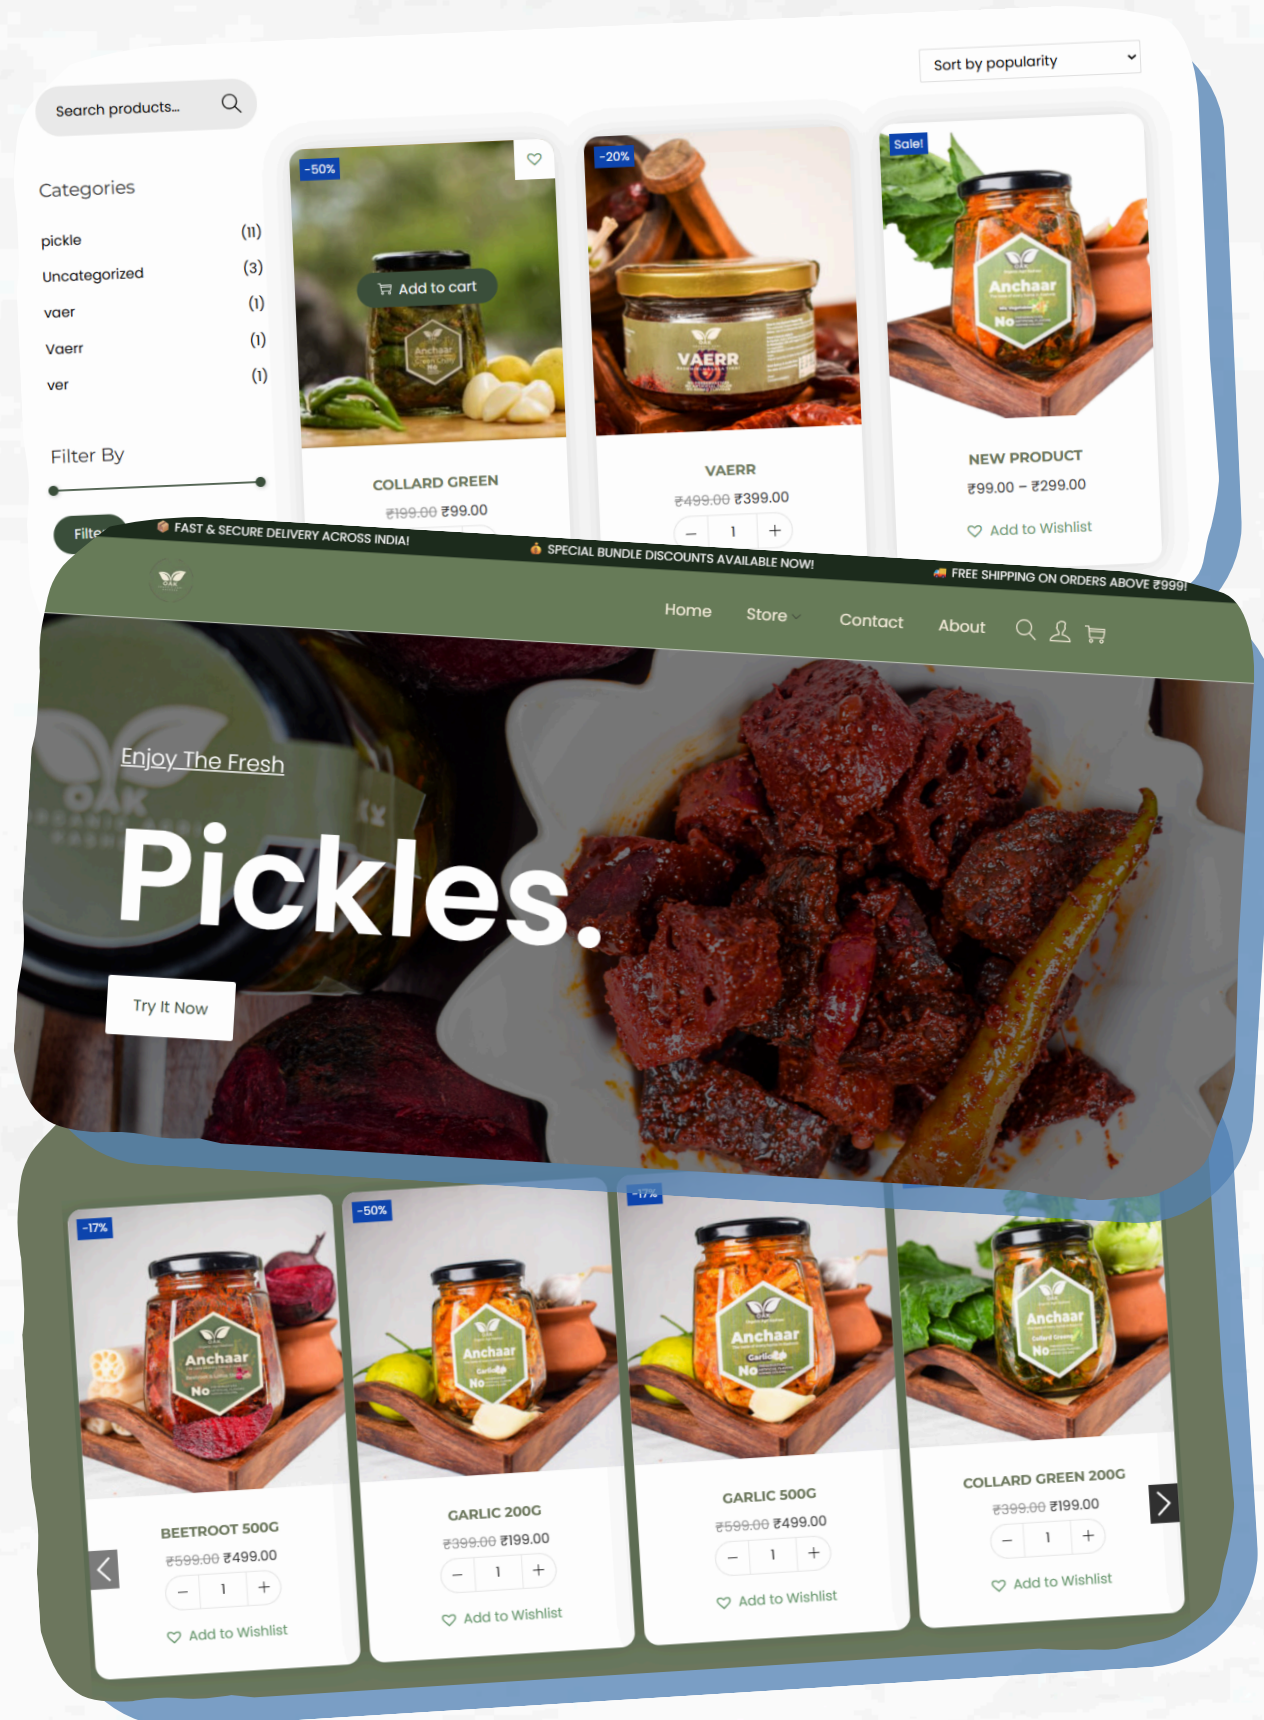

organicagrikasheer.com

Organic Agri Kasheer Organic Farm & Marketplace

We built a clean, trust-focused website for **Organic Agri Kasheer** to showcase their organic produce and connect customers directly with sustainable, farm-fresh products. The platform emphasizes transparency, easy ordering.

What we delivered:

- Product catalog with clear categories and simple ordering.
- Subscription & bulk-order options for regular deliveries.
- Mobile-friendly design with enquiry flow for customers and retailers.

Raheek Twin Travel & Tourism

We built a clean, trust-focused website for **Raheek Twin Travel & Tourism** to simplify bookings, showcase their travel packages, and provide all-inclusive services for pilgrims and travelers.

What we delivered:

- Tour catalog with Umrah, domestic & international packages.
- All-inclusive packages with accommodation, visa, and guidance.
- Easy booking system with clear itineraries.
- Mobile-friendly design with enquiry/booking flow.

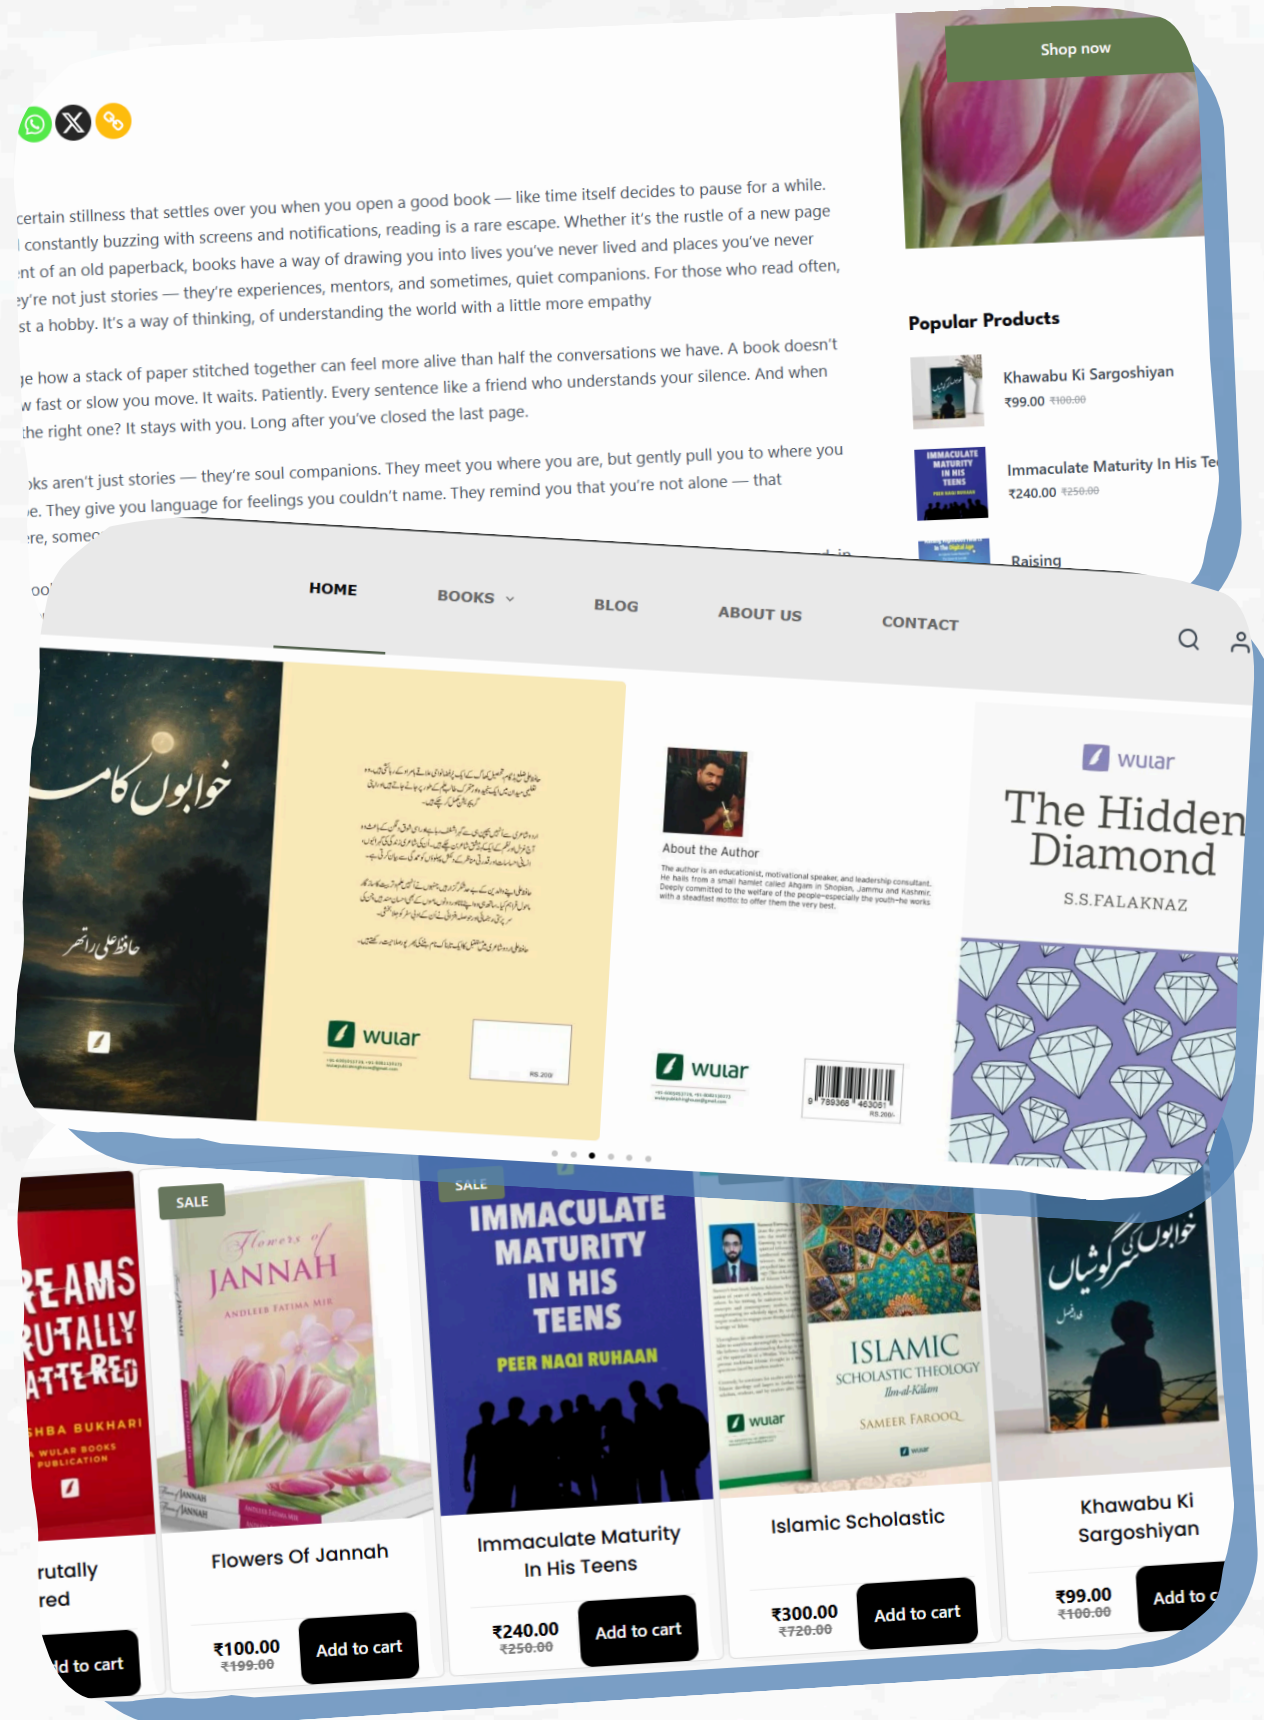

thejhelumpages.in

The Jhelum Pages – Celebrating the Love for Books

We developed a clean, user-friendly website for **The Jhelum Pages** to showcase their diverse book collection and provide a seamless shopping experience for readers in Kashmir and beyond.

What we delivered:

- Curated book catalog across genres: Academic, Literature, Religious, Kids, Language.
- Secure e-commerce platform with easy checkout and payment options.
- Mobile-optimized design for a smooth browsing experience.

More Than Just These

What you see here is a glimpse of our work. We've successfully completed 50+ projects, each tailored to our clients' unique goals and visions.

5 out of 6

Trusted by pharmacies for its simplicity and smart features, Mediflux has become the go-to choice for seamless pharmacy management.

5 out of 6

From eCommerce to travel websites, our clients rate us highly for delivering designs that are fast, functional, and business-ready.

Our Goals

At **Coderoad Softwares**, our goal is simple — to grow together with our clients. Just like the graph, we aim for continuous upward progress: expanding our services, delivering innovative solutions, and helping more businesses achieve digital success. Every project we complete is a step toward building a stronger tech-driven future.
